“Buckeye Chapter”

July 1, 2019

The next fly-in is Saturday July 13, 2019, at Union Co. Airport (KMRT), 1 mile SE of Marysville, OH. Details on p.2.

The Buckeye faithful gathered on June 8th at the Sky Galley Restaurant inside the historic Lunken Terminal Building to enjoy some food and fellowship. There was a big event planned by the local EAA chapter that proposed to fill the ramp with activity, so our SWPC pilots opted to avoid the crowded ramp and drive instead. As it turned out, the EAA chapter must have cancelled all their activities, perhaps because of a possibility of weather in the forecast, because the ramp was completely empty.

L-R: Finn & Bill Colgan, Ralph Widman, Tom Anderson, and host Leon Awalt.

L-R: Rosemarie Gutowski, Jan Widman, Denise Anderson, and hostess Carolyn Awalt.

Even though it was pretty nice outside, opting to dine inside were Denise Anderson, Carolyn Awalt, Jan Widman, and Rosemarie Gutowski

Bill Colgan filled us in on how his flight training is progressing. Meanwhile, he is happy taxiing his beautiful green & white Tri-Pacer around Bolton Field. Ralph Widman brought us up to speed about all the improvements he is making to his 150 hp Colt, including new disk brakes and a modified instrument panel. Ralph Gutowski reported that he sold his Tri-Pacer to Marla Boone, who will hangar it behind her home on Troy SkyPark.
